In love again)
 In My Life
 In the ghetto
 In the mood
 In The Mood
 In the name of love
 In the still of the night
 In This Life
 Innocent Man
 Into the groove
 Into the night
 Into the Night
 Invisible Tears
 Irreplaceable
 Is this love
 It Doesn't Matter Anymore
 It Dont Mean A Thing if you aint got swing
 It had to be you
 It hurts to be in love
 It might as well rain until september
 It must have been love
 It Never Rains In Southern California
 It's a long way to the top
 It's a sign of the times
 It's all coming back to me now
 It's in your eyes
 It's oh so quiet
 It's raining again
 It's Raining men
 It's so easy to fall in love
 It's too late to worry about that now
 It's A Heartache
 It's A Kind Of Magic
 It's A Sign Of The Times
 Its my party
 It's Only Make Believe
 It's Still Rock'n'roll to Me

The way we were
The way you do the things you do
The way you look tonight
The way you make me feel
The Wedding (La Novia)
The wedding song (There is love)
The winner takes it all
Then he kissed me
There goes my baby
There goes my heart
There you'll be
These boots are made for walking
These Dreams
Things
Things That Never Cross A Man's Mind
Think
Think it over
This Cat's On A Hot Tin Roof
This Guys In Love With You
This Is My Song
This Is The Life
This Is The Moment
This love
This magic moment
This old house
This Time
This time I know its for real
This used to be my playground
This will be
Thousand miles
Thunder in my heart Again
Thunderstruck
Till
Till I kissed ya
Till there was you

You Can Leave Your Hat On
You can't hurry love
You Can't Stop The Beat
You don't have to say you love me
You don't know me
You don't own me
You don't treat me no good no more
You Don't Bring Me Flowers
You Don't Know Me
You Drive Me Crazy
You get what you give
You Got What It Takes
You gotta be
You keep me hanging on
You light up my life
You made me love you
You may be right
You needed me
You outta know
You Send Me
You shook me all night long
You took the words right out of my mouth
You were meant for me
You'll be in my heart
You'll never find
You'll see
You're so vain
You'll Never Walk Alone
